

From one to another — the IITI way.

The fastest way for IITI students to swap books, donate notes, and build a sustainable campus.

"What we throw today, they'll pay for tomorrow."

AcadX User Manual

Our culture: share, reuse, uplift.

Welcome to AcadX, the fastest way for IITI students to swap books, donate notes, and build a sustainable campus! This manual will guide you through using AcadX to manage your academic resources and connect with peers.

1. Getting Started

From the AcadX homepage click on "Register" in the top right corner, you will be directed to the "Student Register" page

To begin your AcadX journey, you need to register using your institution's email address (Note that only @iiti.ac.in domains are accepted).

2. Set Up Your Profile

Your profile is essential for others to know you and your academic background.

Upon your first login, you might see a "No profile data found" message

- Click the "Create Profile" button.
- You will be taken to the "My Profile" editing page.
- Fill in the following details:
 - **Full Name:** Your complete name.
 - **Roll No / Student ID:** Your university roll number or student ID.
 - **Degree:** Your academic degree (e.g., BTech).
 - **Major:** Your major or specialization (e.g., CSE).
 - **Bio:** A short description about yourself (e.g., None).
 - **Avatar URL (optional):** A google drive link to an image for your profile picture
- Once your profile is created, you can view it on ur profile page, You will also see your rating and Eco Level given by your co peers

The screenshot shows the 'My Profile' section of the AcadX application. At the top, there is a circular profile picture of a young man named Varun. Below the picture, his name is listed as 'Varun'. To the right, there are fields for 'Degree' (BTech) and 'About Me' (None). Further down, there is a rating of '4.3 / 5' and an 'Eco Level' of '85'. On the far right, student ID '23000152' and major 'CSE' are displayed. A red 'Edit Profile' button is located at the bottom left of the profile section. The top navigation bar includes links for Home, Profile, Inbox, Add ur Item, Items, and Logout.

3. Managing Items (Study Materials)

AcadX allows you to share your study materials or request them from others.

Listing Your Item

To contribute to the AcadX community:

1. Navigate to the "Add ur Item" tab in the top navigation bar .
2. Fill in the item details
3. Click "Add Item."

Browse and Filtering Items

You can find items shared by other students:

1. Click on the "Items" tab in the top navigation bar.
2. You can use the "Filter Items" section to narrow down your search:
 - **Search Title:** Enter keywords to search for items by title.

- **Course Code:** Enter a specific course code (e.g., CS101).
- **Department:** Enter the department (e.g., CSE).
- **Category:** Select a category from the dropdown.

3. Browse through the listed items. Each item displays its title, category, and condition.

The screenshot shows the AcadX user interface. At the top, there is a navigation bar with links for Home, Profile, Inbox, Add ur Item, Items, and Logout. Below the navigation bar is a search/filter section titled "Filter Items" with fields for Search Title, Course Code, Department, and Category (set to All Categories). Below this, there are several item cards displayed in a grid. One card for "Artificial Intelligence Basics" is highlighted, showing a thumbnail of a book cover with the text "FIFTH EDITION". Another card for "Machine Design Notes" shows a thumbnail of a document with a table of contents. A third card for "Basic Circuit Lab Kit" shows a thumbnail of a breadboard with various components. Other partially visible items include a "BEST MICE FOR CAD" card with a thumbnail of two mice and a "WILUTANIUU" card with a thumbnail of a building.

Viewing Item Details and Requesting

When you find an item of interest:

1. Click "View Details" on the item card.
2. This will open the item's detailed page, showing its description, condition, course code, and owner information (Name, Roll No, Email, Degree, Major).
3. To request or claim the item, click the "Request Swap / Claim" button at the bottom of the page.

The screenshot shows a listing for a book titled "C Programming Guide" by Anthony Wallit. The book cover features a large blue hexagon with a white letter 'C' inside, surrounded by a grid of small dots. The title "Programming" and subtitle "An Informative and In-depth Guide to C Programming" are at the top, and the author's name is at the bottom. Below the book image, the title "C Programming Guide" is displayed with a blue info icon. A description box contains the text "Introduction to C programming with examples and exercises.". Two status boxes show "Condition: Used" with a green checkmark and "Course Code: CS101" with a green checkmark. A "Owner Information" section lists the owner's name as Varun, roll number as 23000152, email as test1@iiti.ac.in, and course as BTech in CSE. At the bottom is a red "Request Swap / Claim" button.

4. Managing Requests

Your Home page is where you manage incoming and sent requests for items.

Your Sent Requests

When you request an item from another student, it will appear under "Your Sent Requests" on your dashboard.

- Each sent request shows:
 - **Item:** The item you requested.
 - **Owner:** The owner of the item.
 - **To:** The email address of the item's owner.
 - **Status:** The current status of your request (e.g., Pending).
 - Once the owner accepts your request, a chat will be initiated, allowing you to communicate directly about the item and its exchange.

The image displays two side-by-side screenshots of the AcadX mobile application's student dashboard. Both screenshots show the 'Your Requests' section.

Screenshot 1 (Left):

- Welcome to AcadX:** This is your personalized student dashboard.
- Your Requests:**
 - Incoming Requests:**
 - Item:** C Programming Guide
 - From:** Alex (ee230002021@iiti.ac.in)
 - Owner:** Varun (You)
 - Accepted by:** You (test1@iiti.ac.in)
 - Item:** C Programming Guide
 - From:** John (test7@iiti.ac.in)
 - Owner:** Varun (You)
 - Status:** Pending
- Action Buttons:** Accept (green) and Reject (red).

Screenshot 2 (Right):

- Welcome to AcadX:** This is your personalized student dashboard.
- Your Requests:**
 - Incoming Requests:** No incoming requests.
 - Your Sent Requests:**
 - Item:** C Programming Guide
 - Owner:** Varun
 - To:** test1@iiti.ac.in
 - Status:** Pending

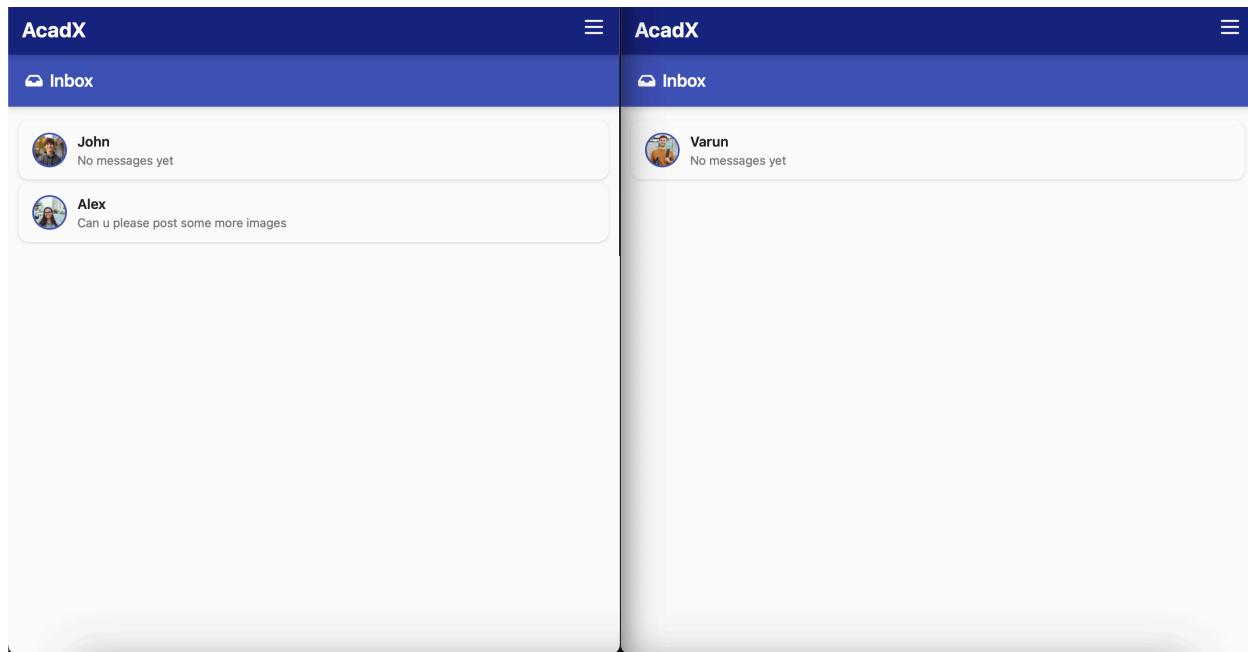

Incoming Requests

When someone requests an item you own, it will appear under "Incoming Requests" on your dashboard .

- Each incoming request shows:
 - **Item:** The item being requested.
 - **From:** The student who sent the request.
 - **Owner:** You.
 - **Accepted by:** If applicable, who accepted the request (e.g., You (test1@iiti.ac.in)).
- You have two options for each incoming request:
 - **Accept:** Click the "Accept" button to approve the request. **Upon acceptance, AcadX will automatically create a chat between you and the requesting peer. You can then use this chat to discuss the item, arrange the exchange, and finalise your deal.**
 - **Reject:** Click the "Reject" button to decline the request.

5. Chat in Real-Time

You can view your existing chats in the **Inbox** section with peers whose item requests you've accepted, or who have accepted your requests only.

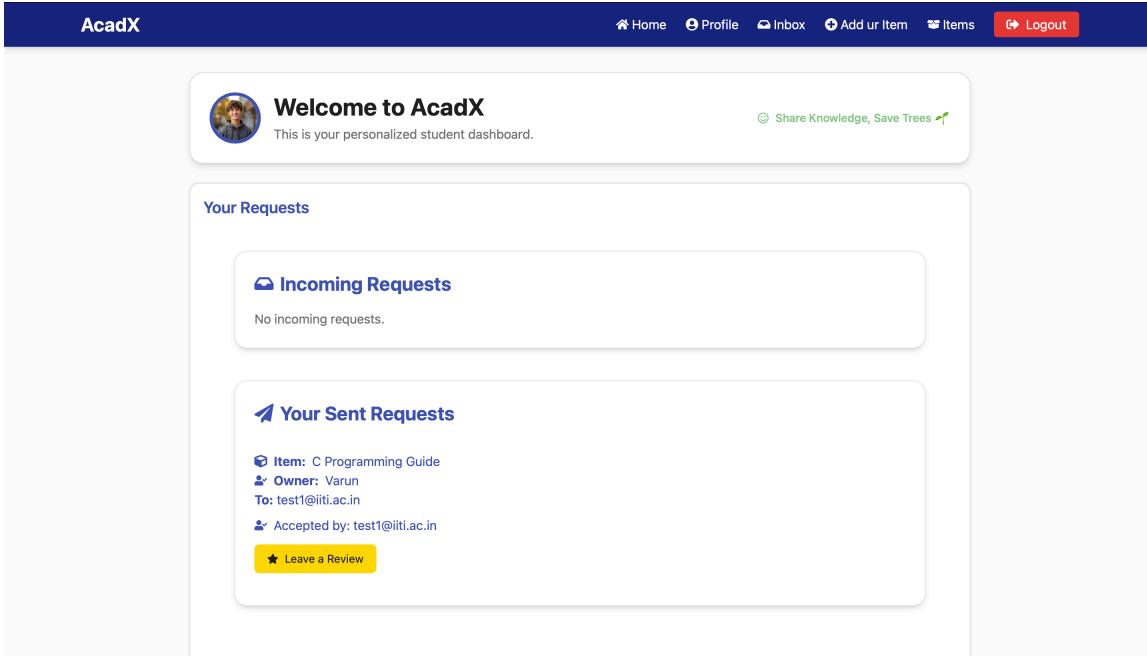

Check out how u can chat in real time with AcadX

6. Rating Content and Sharers

After a request has been accepted and the item exchange is complete, you will have the opportunity to leave a review for the content and its sharer, which will reflect on the sharer profile.

The screenshot shows the AcadX student dashboard. At the top, there's a dark blue header bar with the AcadX logo on the left and navigation links on the right: Home, Profile, Inbox, Add ur Item, Items, and Logout. Below the header is a white main area. On the left, there's a user profile icon with the text "Welcome to AcadX" and a message: "This is your personalized student dashboard." To the right of this is a green button with the text "Share Knowledge, Save Trees" and a leaf icon. The main content area has two sections: "Your Requests" and "Your Sent Requests". The "Your Requests" section contains a sub-section for "Incoming Requests" which says "No incoming requests.". The "Your Sent Requests" section lists one item: "Item: C Programming Guide", "Owner: Varun", "To: test1@iiti.ac.in", and "Accepted by: test1@iiti.ac.in". Below this list is a yellow button with the text "Leave a Review".

Thank You

For any further assistance or issues, please refer to the contact options provided at the bottom of the AcadX pages (Email, GitHub, LinkedIn).
